17 Cobble Road | Salisbury, CT

Members of the Noble Horizons Auxiliary, now 100-strong, are volunteers with a special mission: to provide substantial gifts and services to benefit Noble Horizons residents.

To accomplish this mission, the Auxiliary annually raises funds through its *Festival of Trees* and *Holiday Fair*. Volunteers also roll out the massive *Book & Tag Sale* and staff the Auxiliary's *Country Store*.

To organize these events and fulfill these goals requires many people working together. Be it an Auxiliary Member or just an occasional volunteer, every hand on deck makes a difference in the lives of Noble residents. For those who contribute year after year, it is very satisfying to witness the pleasure our contributions bring to those living at Noble.

To remain viable and to flourish as an organization, it is imperative that we have an ongoing infusion of new ideas, energy and talent. **We welcome new members** and extend a special invitation to the families and friends of Noble residents to join the Auxiliary.
