Noble HORIZONS

Delectable Dining

At Noble Horizons, dining in feels like dining out! Savor fresh, nutritious, and flavorful meals prepared to your specifications while enjoying spectacular water views and panoramic vistas of the Berkshire Mountains. The Riga Dining Room offers expansive floor-to-ceiling windows, a fireplace for chilly winter days, and an outdoor terrace for warmer seasons.

Your dining experience at Noble Horizons is further enhanced by our exceptionally friendly and experienced servers, who warmly greet you by name at every meal. Of course, friends and family are always welcome to join you.

Locally sourced ingredients, quality, choice, and atmosphere is at the top of the menu for Noble's team of skilled chefs and support staff. Our chefs draw on a combined 50 years of experience in some of the area's finest restaurant kitchens and pride themselves on offering creative menus that reflect residents' meal preferences and seasonal selections. In addition to our nutritionist's oversight of the menu, a resident food committee offers suggestions and feedback on the three daily meals served in the Riga Dining Room, the private dining room, or delivered to your room or cottage.

In addition to preparing scrumptious meals, our professional culinary staff offers delectable surprises throughout the year. You will find a delightful array of wines, cheeses, and savory hors d'oeuvres at our regularly scheduled art exhibit receptions. Gourmet dining experiences (with live music) mark every holiday of the year, among them Cinco de Mayo, Thanksgiving, Chinese New Year, Mardi Gras, St. Patrick's Day, Veteran's Day, and Valentine's Day. Summer is animated by the annual lobster fest, barbecues, and outdoor terrace dining.

For get-togethers, birthday parties, and festive occasions with family and friends, you may reserve the elegant private dining room with seating for ten or the cozy clubhouse, featuring a large-screen TV, a mahogany bar and fireplace. For larger gatherings, our culinary professionals can help you plan and host special events, whether it is a sit-down dinner for 25 or a reception for 60.
