HORIZONS

Enjoy the best years of your life at Noble Horizons, a community like no other in the area, thanks to our team of professionals and their commitment to providing the finest care possible. Live your most comfortable life in the warm and welcoming ambiance of the Wagner and Riga residences. Our team of highly skilled nurses, CNAs, and support staff embody the principles of our nursing mission statement with an unyielding commitment to your well-being.

The Noble Horizons nursing team is second to none. In addition to providing outstanding care, Noble's nurses can count on generous financial assistance to advance their education, training, and degrees. Continually investing in our team helps Noble Horizons attract and retain the best nursing talent in the area.

Noble's Skilled Nursing Services are ideal for those who:

- ☀ Need ongoing care.
- ☀ Need assistance with activities of all daily living.
- ☀ Require prescription medication management and administration, including injections.
- ☀ Participate in specialized rehabilitative services, such as speech, occupational, physical, cognitive, respiratory, and vocational therapy.
- ☀ Need meal options that must meet the daily nutritional requirements and/or have unique dietary needs.

Our team is well equipped to handle any type of medical issue and/or emergency. Our physicians are on campus twice a week, and our nurse practitioner is on campus weekly. Noble's campus is in close proximity to emergency care - Sharon Hospital, a modern, acute-care hospital, is a mere 15 minutes away. The Salisbury Volunteer Ambulance Service, located a quarter mile from Noble's front door, is staffed by highly trained emergency medical technicians with access to state-of-the-art equipment.

Mission Statement

Noble Horizons' Nursing Team is committed to delivering the highest level of individualized resident care possible, in which the total physical, psychological, social, and spiritual needs of each resident are recognized and met.

Vision Statement

It is the vision and intention of the nursing team to promote optimal independence and dignity. Our Resident Care Plan, developed by residents, families, and team members, shall guide all toward the maintenance of high-quality, individualized care. This vision will require an atmosphere where the knowledge, strengths, and skills of our professionals and residents are respected, shared, and utilized by all
