

# Festival of Trees | 2023

Presented by Noble Horizons Auxiliary

Dear Friends of the Festival:

It's time to think of crisp air, snowflakes, bells and this year's Festival of Trees sponsored by the Noble Horizons Auxiliary. For more than a quarter of a century, the festival has ushered in the holiday season and brought cheer to Noble Residents, the surrounding community, and groups of all ages from schools, child care centers, nursing homes and day cares for the disabled. It is our gift of joy to others!

This year the theme is — *Jingle Bells* — a song that was written in 1857 and long associated with Christmas, but was originally about Thanksgiving! Such an appropriate theme as we open the Festival during the week of November 18. Noble Horizons' Community Room will be transformed into a winter wonderland of sparkling lights, one-of-a-kind displays, and a very special Children's Corner. **Think of the joy of riding in a horse-drawn sleigh through the woods as you generously give of your time and donate to this wonderful event!**

With your donations the Auxiliary funds the elements of life that bring comfort and joy to residents, including:

- The *Pet Therapy Program* with visiting animals and resident cats to pet and adore
- *Flowers* on the dining room tables brightening Residents' days
- A *library* full of large-print books and computers and printers for up-to-date information
- Closed-network *radio and video programs* for Residents to enjoy in their own rooms

Donations have also enabled the recent wi-fi system upgrade, remodeling for Noble's chapel and beauty salon, and a new car for resident transportation. **Your generous support of the Noble Horizons Auxiliary makes all of this possible.** Please enter into the spirit of this year's Festival by becoming a Sponsor, creating an exhibit for the silent auction, underwriting a display, or volunteering to help. And be sure to attend the *Gala Party* which caps off the Festival with an evening of fun on December 2.

On behalf of the Noble Horizons Auxiliary and all Noble residents, we thank you for your ongoing support!

Sincerely,

*The Festival of Trees Planning Committee*
