

Noble Living...

Spring at Noble Horizons signals a time of renewal—not just in nature, but in the work we do every day to enhance the lives of our residents. As the weather warms and activity increases across campus, we're reminded how important it is to have the right spaces and resources in place to support connection, wellness, and a sense of home.

Thanks to your generosity during last year's Annual Appeal, we were able to purchase a new transport van. This addition has significantly improved the daily lives of our residents—making it easier for them to attend off-site appointments, enjoy community outings, and stay actively engaged. Your support made this possible, and we are truly grateful.

This year, we are continuing our focus on quality of life by raising funds to renovate and expand the Noble Café. Located across from the Fitness Center, the Café has become an essential part of campus life—a space where residents gather to socialize, relax, and connect with others. However, its current size limits how many people can comfortably use it. The proposed renovations will increase capacity, improve accessibility, and create a more functional and welcoming environment for all.

At Noble, our mission goes beyond providing excellent care. We strive to ensure that every resident—whether here for long-term care, short-term rehabilitation, or independent living—feels part of a supportive and vibrant community. The Café project is a direct investment in that mission, and in the everyday experiences that matter most.

Your continued support helps us maintain the high standards our residents deserve and expect. On behalf of our entire team and the people we serve, thank you for being part of the Noble Horizons family and for making a lasting difference in the lives of those who call Noble home.

With appreciation,

Bill Pond
Administrator, Noble Horizons

Fostering Friendships: Noble Horizons Café Expansion Project

*(L) Liliana Ames, Certified
Personal Trainer, with Fitness
Center "regulars"*

The needs of our residents are constantly changing and evolving, and we strive to keep up with the times to ensure that we keep up with them.

Here at Noble Horizons, we are blessed and lucky to have many residents who value fitness and social activity, and the goal of our ongoing annual appeal is to expand the café across from the beloved fitness center.

Our café is where the ongoing connection between our residents and the surrounding community is most prevalent. The café is not just a lounge area to have a cup of coffee, it's a place where people can socialize, meet new friends and find out what is happening around campus and beyond. It is truly a hub of social activity here at Noble, and we need to expand and renovate to meet the needs of all who utilize this space.

Every day we get closer to reaching our goal! Our plans not only include dimensional expansion but also new flooring, countertops, enhanced accent lighting, a Smart TV, a charging station and much more. With your help, along with the

dedicated team of residents, staff, and project designers, we can create an oasis for all to enjoy for years to come. Please consider donating to this wonderful project and being a part of keeping our community connected.

Danielle Bailey
Director of Community Relations

A Legacy of Love and Community: *Remembering Rosabel “Rose” Genito*

Rose and Deb Genito

For lifelong Salisbury resident Rosabel “Rose” Genito, Noble Horizons wasn’t just a place to live—it was a second home. A former Salisbury Bank teller known for her warm spirit and deep community roots, Rose became part of the Noble family long before she needed care. One of the early volunteers in the Noble Horizons gift shop, she gave generously of her time and warmth—never imagining she would one day be on the receiving end of the same love and compassion.

Rose lived independently in the Cottages for seven years, before transitioning into higher levels of care. Her daughter, Deborah Genito, who returned from California to help support her mother’s journey, witnessed first-hand the unparalleled tenderness that defined the Noble experience.

*“They didn’t just care for my mother,” Deborah shares.
“They loved her.
They treated her like the individual she was.”*

Deborah recalls how even the small gestures made a lasting impact. Laurie, a nurse on staff, once gave Rose a special mug. When it mysteriously went missing, the Noble team launched what Deborah fondly calls a “full-on search party.” It wasn’t just about a cup—it was about preserving Rose’s sense of dignity and home.

One of Rose’s favorite people at Noble was Bob from maintenance. Each visit, Deborah would stop to buy his favorite ice cream sandwiches. It was a lighthearted ritual that reflected the deep bonds that form when care goes beyond protocol and becomes personal.

Even during challenging moments, Deborah says, “If there was ever an issue, it was addressed immediately—no questions asked. It always felt safe.”

To Deborah, Noble Horizons isn’t just a senior living community—it’s a sanctuary. “It’s family. It’s community. Every staff member acknowledges every resident. That matters.”

Rose passed peacefully on October 27, 2024, surrounded by the love of the Noble community and her family. She was 93. Her memory lives on in the hearts of those who cared for her and in the many lives she touched with her quiet kindness.

In a world that often rushes past our elders, Noble Horizons pauses—to listen, to love, to honor. And for that, Deborah Genito is forever grateful. To celebrate the life of her Mom, Deborah donated a bench in her honor for residents and staff to enjoy.

Auxiliary News

A letter from President Teri Aitkin

We started 2024 with a bang! In the spring, we had "*The Right To Bear Art*" which turned out to be a great success, great attendance with a ton of fun had by all. We held the traditional *Book & Tag Sale* in September of which we will be holding another Book & Tag

Sale, September 5th & 6th 2025. The Auxiliary held the *Holiday Market* in December which turned out to be fantastic. We thought it was so fantastic, we will bring back the two-day Holiday Market in December of 2025.

Stay tuned...

Spring 2025 welcomed a new themed Art Show, "*Birds, Bees & Apple Trees*". Some art may still be purchased in The Country Store if you missed out at the party. As always, all proceeds from these events, and sales from the beautiful Country Store, go directly to enriching the lives of our Noble residents.

We would love to have YOU be a part of our Auxiliary also. There is always plenty to do. Many are already busy working toward our *Book & Tag Sale and Holiday Market*, and we are always looking for new members to work along side our many long-time members. If you would like to join our Auxiliary I can be reached at 860-671-1174 or teriaitken2000@gmail.com.

Teri Aitken, President
